I am pleased to present the Secretary of State's 2007 edition of the California Roster.

This Roster provides a comprehensive listing of contact information for our government officials, as well as historical outlines of our constitutional offices and state emblems. It includes California's federal, state, and county government officials, judicial officials, incorporated city and town officials, a listing of California's unincorporated areas, state agency information, and state officials for all of the United States.

California Roster is available exclusively online. Annual updates are targeted to be completed each year by the end of March. In addition, any change in information provided to my office during the course of the year will be updated upon receipt.

Sincerely,

A handwritten signature in cursive script that reads "Debra Bowen".

Debra Bowen  
Secretary of State
